Newsletter - June 2021

Internet Safety Tip for Parents - Explore together: The best way to find out what your child is doing online is to ask them to tell you about it. Encourage them to use devices in communal areas so you can see what sites they're visiting and share with them.

Voluntary Contributions - We are hugely dependent on this contribution. Again, thanks to all who have paid recently. Contributions are welcome at any time.

Discover Primary Science & Maths - We have almost completed our application for this year's DPSM award, which is due on 30th June. Congratulations to all of our pupils who worked so hard on this throughout the year.

You can view the boys' fantastic Science and Maths work on our STEM website <http://www.haroldboysdalkey.ie/STEM>. Enjoy!

Green Schools News:

It has been a very busy month for Green Schools in Harold Boys' this month. Firstly, we had a slogan competition for our Global Citizenship - Energy theme. Our winner was Crosby O'Connor from 4th class who came up with the brilliant slogan *Sun, Wind and Sea Give The Earth Renewable Energy*.

We are also participating in the DLR County Council's art competition to design either an anti-litter or anti-dog fouling poster as both of those have been issues which affected the local area whilst we have had restricted movement over the last few months. The class winners in this competition will go on to take part in the DLR competition now so best of luck to all of the boys. Finally, Monday 24th May to Friday 28th May was National Walk to School Week with Wednesday 26th May being National WOW Day. We counted how many of our students and staff walked to school that day. It was a fantastic effort by everybody as almost 70% of students and staff walked, cycled or scooted to school! We hope that we can keep this up during the sunnier weather (fingers crossed!) in June.
